## District Electrical Services

*Meeting Washington's electrical services needs since 1991*

# Quality, Service, Satisfaction

---

District Electrical Services maintains a fleet of three bucket trucks in 30', 40' and 50' configurations to meet a wide variety of aerial needs. We install, maintain and repair security and parking lot lighting; install and upgrade interior power systems; and offer trenching and excavating services.

Our technicians are trained to provide you with the highest level of prompt, efficient, and safe service. At DES, service and integrity go hand in hand.

## Qualifications

District Electrical Services' technicians are licensed in Virginia, Maryland, and the District of Columbia. We are members of the Associated Builders Council and the National Electrical Contractors Association.

## Rates

Bucket truck rates include operator and assistant:

30' truck - \$140/hour

40' truck - \$140/hour

50' truck - \$150/hour
